### President's Report

I think I said last newsletter, what a busy month. This month was even more so with the final arrangements for last night's dance coming faster and faster as it approached, but we managed to get through it all. No problems (?), well nothing we couldn't handle any way.

Here is the list of the big dance dates for the rest of the year.

**Sat April 18<sup>th</sup>, 3<sup>rd</sup> Saturday, Infinity Duo.**

**Sat June 27<sup>th</sup>, 4<sup>th</sup> Saturday, Big Jim.**

**Sat August 22<sup>nd</sup>, 4<sup>th</sup> Saturday, Kick Start.**

**Sat October 31<sup>st</sup>, 5<sup>th</sup> Saturday, 45 RPM. (Townsville band up here).**

**December 12<sup>th</sup>, 2<sup>nd</sup> Saturday. Kick Start.**

All these dances are of course are at the Edge Hill State School PAC hall in Pease St.

My own personal thanks to all the Innisfail dancers for coming up in the rain. It was nice to see you all again, some of whom I helped teach a few (I won't say how many), years ago. Time sure flies the older you get, so get in and learn to dance rock and roll; at the Cairns Rock and Roll club of course.

**David.**

***Our first dance of the year***, all I can say is a huge "WOW". We opened the year with a bang with our own Portsmouth band and the very talented Rowly".

I cannot say enough about these guys, as we see them every Sunday afternoon at the Portsmouth club and Rowly does guest appearances every now and then, popping up when you least expect! Its not very often you see at the end of the night the dance floor still crowded with dancers wanting more and more. If you haven't been to the Portsmouth Club, please try and get along, just to listen, have a great meal, or dance, you wont be disappointed! We do need to support this great venue!

Thank you dancers for dressing up, you all looked like real rockers! and for coming along, over 130, goodness, the dance floor was full all the time, no time for breaks as David the DJ had the dancers doing all sorts of older line and fun dances. Thank you Innisfail group for your support, it certainly was great to see all the you guys; even the rain couldn't stop you!

A huge thank you to all the helpers and organizers, you made the night run so smooth, with the hall looking like we were stepping back in time to "Happy Days". Again, I cannot thank you guys enough for all the help and support you gave. You made the night go like clockwork, even at the entry, with the ushering of the dancers to their tables, going as smooth as silk.

***See you all next dance in April!***

**Don't forget our Social this coming Monday 24th Feb, Please bring a small plate for sharing!**

**Next absolute 6 week beginners block**  
**6.45—9.00 pm**

Starts on Monday 2nd March with teachers **David & Ann**, putting you through the techniques and styles of basic rock and roll.

***Marilyn will be putting you through the intermediate class! And line dancing!***
